Final Product Details:

Final Product = computers

Commodity = 84331110

Principle of Origin = CTH; or MaxNOM 50 % (EXW).

Specific Rule of Origin

84331110 = CTH;

or

MaxNOM 50 % (EXW).

According to CTH: CTH means production from non-originating materials of any heading, except that of the product; this means that any non-originating material used in the production of the product must be classified under a heading (4-digit level of the Harmonised System) other than that of the product (i.e. a change in heading). Since the commodity codes in the bill of materials are not equal to the first four digits of the final product's commodity code, this product is eligible under the EU-UK Preference trade agreement for Zero or reduced Duty while importing.

Alternatively, according to MaxNOM Rule:
